Allocation of hours

CPD hours will be assessed and allocated on the estimated time taken to complete all content components (including video and/or multimedia) plus the completion of the assessment, on the basis of a 'reasonable person', with the appropriate knowledge.

Record keeping

The Kaplan Professional Ontrack platform will be used to record the completion of CPD activities. CPD plans will specify each relevant provider's:

- individual overall CPD target
- minimum requirements in each CPD area
- any other specific requirements that must be met

The platform will monitor individual progress and provide reporting.

For CPD activities undertaken and completed outside the Ontrack platform, each individual relevant provider is required to upload details into Ontrack and submit evidence for assessment and approval to the CPD Assessor.

It is the relevant provider's responsibility to maintain complete and accurate records within Ontrack.

Career breaks

If a relevant provider has not been practicing or authorised as a relevant provider for a continuous period of 2 years or more, then they must comply with the following career break requirements.

MGD Wealth must approve the relevant provider's CPD plan for the first CPD year prior to resuming practice. Their first CPD plan may require additional CPD hours be completed to ensure we are satisfied that it is appropriate to address gaps in the relevant provider's competence, knowledge and skills arising from the relevant provider's absence from practice.

Extenuating circumstances

MGD Wealth will give individual consideration to relevant providers affected by illness, ongoing medical conditions, disability or parental leave.

Provisional relevant providers

Provisional relevant providers who are completing their Professional Year are not required to meet CPD requirements.

In the first CPD year as a relevant provider, CPD requirements will be pro-rated for the period between the completion of the professional year and the CPD year.

Existing relevant providers new to MGD Wealth

MGD Wealth may recognise CPD undertaken with a previous licensee, provided that the evidence requirements outlined above are met.

Monitoring

Monitoring of the completion of CPD requirements by each relevant provider will be undertaken using the reporting functionality of Ontrack on a quarterly basis.

Relevant providers will be reminded of their obligations prior to the quarterly Compliance Committee meeting, at which time the most recent training records will be reviewed.

Non-compliance

A relevant provider must comply with the CPD obligations specified in this policy. Failure to meet the specified requirements requires the licensee to notify ASIC of the relevant providers non-compliance with the continuing professional development standard.
